Attention: Ms. Sue Kiser

Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of the Kern Council of Governments' (KCOG) administrative modification No. 9 to their 2010/11 – 2013/14 Federal Transportation Improvement Program (FTIP). The KCOG submitted this change consistent with the Federal Statewide Transportation Improvement Program (FSTIP) modification procedures. This change does not require Federal Highway Administration or Federal Transit Administration approval. Therefore, it has been incorporated into California's 2011 FSTIP.

Please address any questions to Dennis Jacobs at (916) 654-4447.

Sincerely,

A handwritten signature in blue ink, appearing to read "Muhaned Aljabiry".

Subject: Submittal of the Kern Council of Governments' Administrative Modification No. 9 to the 2011 Federal Transportation Improvement Program

Dear Mr. Aljabiry:

The Kern Council of Governments' Federal Transportation Improvement Program (FTIP) policy is to compile administrative modifications that are made on an as needed basis and report to Caltrans, federal transportation agencies, and air quality agencies. The State Department of Transportation (Caltrans) needs a revision to an existing project record. Administrative Modification No.9 to the 2011 FTIP (Modification No. 9) has been included in this report. The Kern COG staff reviewed the member agency request and has agreed to make administrative revisions to the 2011 FTIP reflecting changes to the project below:

State Highway Operations and Protection Program – KER080202

The State Department of Transportation (Caltrans) has requested a revision to their Collision Reduction grouped project listing. Kern COG concurs with the request to expedite the appropriate changes listed above as part of Modification No. 9 because: 1) there is less than a 25% change in total funding; 2) the projects are exempt from conformity per 40 CFR 93.126; and 3) proposed project changes do not interfere with the timely implementation of any approved TCMs.

Revisions have been made to California Transportation Improvement Program (CTIPS) database and are reflected in the enclosure. This administrative modification relies on the FSTIP financial capacity. The financial constraint documentation will be updated to reflect changes made by this administrative modification in the next formal amendment.

If you should have any questions, please feel free to call Raquel Pacheco at (661) 861-2191.

Sincerely,

Ronald E. Brummett,
Executive Director
