

# Kern Council of Governments Regional Transportation Plan/Sustainable Communities Strategy Notice of Final Adoption

Thursday, August 16, 2018 at 6:30PM

Kern COG's proposed 2018 long-range Regional Transportation Plan/Sustainable Communities Strategy and its environmental impact report as well as the Draft 2019 short-range Federal Transportation Improvement Program, and air quality analysis are being considered for adoption concluding a four year comprehensive public outreach process that garnered input from more than 6,000 participants. These documents provide an outline of major transportation expenditures over the next 24 years. Review a copy at Kern COG's office, or online at <http://www.kerncog.org/category/docs/rtp/>.
