Subject: Kern Council of Governments' Administrative Modification No. 4 to the 2019 Federal Transportation Improvement Program

Dear Ms. Clemons, Mr. Matley, and Mr. De Terra:

On April 30, 2015, with the acknowledgment of the Kern Council of Governments (Kern COG) Board, the California Department of Transportation (Caltrans) delegated to the Kern COG Executive Director the authority to approve Administrative Modifications to the Federal Statewide Transportation Improvement Program (FSTIP)/Federal Transportation Improvement Program (FTIP). This delegated authority is in accordance with the FSTIP/FTIP Amendment and Administrative Modification procedures.

The Kern COG Executive Director has completed review of Administrative Modification No. 4 (Modification No. 4) to the 2019 FTIP. The Executive Director finds that the proposed changes are consistent with the FTIP Amendment Policy adopted by the Kern COG Board; therefore, approves these changes. Kern COG certifies that the projects included in this modification are not included in any other amendment or modification to the 2019 FTIP currently out for public review or approval. The Kern COG staff reviewed the requests and has agreed to make administrative revisions to the 2019 FTIP reflecting changes to the projects below:

State Highway Regional Choice Program – KER120108

The State Department of Transportation requests to revise record KER120108 to include a cost increase to right of way phase and include Kern County as an additional lead agency. Kern COG concurs with the request to expedite the appropriate changes as part of Modification No. 4 because: 1) there is no change to scope; 2) there is a cost increase less than 40%; and 3) there is a change to lead agency.

Safety Program

The State Department of Transportation requests to revise the group project listing for records KER060601 Highway Bridge Program and KER140601 Highway Safety Improvement Program. Kern COG concurs with the request to expedite the appropriate changes as part of Modification No. 4 because: 1) there is a change to grouped project listing; 2) there is a cost increase due to revised grouped project listing; and 3) proposed changes do not interfere with the timely implementation of any approved TCMs.

Non-motorized Program

Kern County requests to revise the fiscal year for record KER161001 due to the approval of a time extension by the California Transportation Commission. Kern COG concurs with the request to expedite the appropriate changes as part of Modification No. 4 because: 1) there is a change to fiscal year; 2) there is no change to cost; and 3) proposed changes do not interfere with the timely implementation of any approved TCMs.

Revisions have been made to California Transportation Improvement Program (CTIPS) database and are reflected in the enclosure. This administrative modification relies on the FSTIP financial capacity. The financial constraint documentation will be updated to reflect changes made by this administrative modification in the next formal amendment. It should be noted that the changes to these projects does not require a re-determination of the air quality conformity analysis.

Under the delegated authority received from Caltrans, Administrative Modifications do not require Federal Highway Administration, Federal Transit Administration or Caltrans approval. The purpose of this letter is to notify Caltrans, the Federal Highway Administration, and Federal Transit Administration that this Administrative Modification has taken place. If you should have any questions, please feel free to call Raquel Pacheco at (661) 635-2907.

Sincerely,

Ahron Hakimi,
Executive Director
