Attention: Mr. Albert Soares

Subject: Kern Council of Governments' Administrative Modification No. 9 to the 2019 Federal Transportation Improvement Program

Dear Ms. Clemons, Mr. Matley, and Mr. Soares:

On April 30, 2015, with the acknowledgment of the Kern Council of Governments (Kern COG) Board, the California Department of Transportation (Caltrans) delegated to the Kern COG Executive Director the authority to approve Administrative Modifications to the Federal Statewide Transportation Improvement Program (FSTIP)/Federal Transportation Improvement Program (FTIP). This delegated authority is in accordance with the FSTIP/FTIP Amendment and Administrative Modification procedures.

The Kern COG Executive Director has completed review of Administrative Modification No. 9 (Modification No. 9) to the 2019 FTIP. The Executive Director finds that the proposed changes are consistent with the FTIP Amendment Policy adopted by the Kern COG Board; therefore, approves these changes. Kern COG certifies that the projects included in this modification are not included in any other amendment or modification to the 2019 FTIP currently out for public review or approval. The Kern COG staff reviewed the requests and has agreed to make administrative revisions to the 2019 FTIP reflecting changes to the projects below:

State Highway Operation and Protection Program – KER180209

The State Department of Transportation requests to revise the group project listing for record KER180209 Minor Program. Kern COG concurs with the request to expedite the appropriate changes as part of Modification No. 9 because: 1) there is a change to grouped project listing; 2) there is a cost increase due to revised grouped project listing; and 3) proposed changes do not interfere with the timely implementation of any approved TCMs.

Safety Program

The State Department of Transportation requests to revise the group project listing for record KER060601 Highway Bridge Program. Kern COG concurs with the request to expedite the appropriate changes as part of Modification No. 9 because: 1) there is a change to grouped project listing; 2) there is a cost decrease due to revised grouped project listing; and 3) proposed changes do not interfere with the timely implementation of any approved TCMs.

Transit Program – KER160504

The Golden Empire Transit District requests to revise the fuel type for replacement bus purchase. Kern COG concurs with the request to expedite the appropriate changes as part of Modification No. 9 because: 1) there is no change in scope; 2) there is no change to cost; and 3) this existing prior year FTA Section 5307-CMAQ project is moving to fiscal year 19/20.

Revisions have been made to California Transportation Improvement Program (CTIPS) database and are reflected in the enclosure. This administrative modification relies on the FSTIP financial capacity. The financial constraint documentation will be updated to reflect changes made by this administrative modification in the next formal amendment. It should be noted that the changes to the project does not require a re-determination of the air quality conformity analysis.

Under the delegated authority received from Caltrans, Administrative Modifications do not require Federal Highway Administration, Federal Transit Administration or Caltrans approval. The purpose of this letter is to notify Caltrans, the Federal Highway Administration, and Federal Transit Administration that this Administrative Modification has taken place. If you should have any questions, please feel free to call Raquel Pacheco at (661) 635-2907.

Sincerely,

Ahron Hakimi,
Executive Director

AH/rp
