SUBJECT: KERN COUNCIL OF GOVERNMENTS CONSENT AGENDA ITEM: III. C.
2020 COMMUNITY TRANSPORTATION NEEDS ASSESSMENT
CLEAN MOBILITY OPTIONS VOUCHER PILOT PROGRAM

DESCRIPTION:

Pursuant to Kern COG policy, the Board shall review and approve grant-funding agreements. On August 6, 2020, staff received from Calstart's Clean Mobility Options a **Notice of Proposed Award** for our 2020 Community Transportation Needs Assessment Voucher in the amount of \$49,924.

DISCUSSION:

On August 6, 2020, staff received authorization from Calstart's Clean Mobility Options to proceed with the commencement of a Needs Assessment in Kern County's disadvantaged communities to learn if the local residents would be interested in utilizing bicycles and e-bikes as a mode for local transportation if their community had a bike sharing program. Although much of our past research has taught us that families want there to be a safe environment for them to ride their bikes or walk, we want to determine that once the infrastructure is complete, would they actually choose an alternative to a motorized vehicle. Bicycles, and particularly e-bikes, can be an easy way for these residents who do not have their own vehicles, (or the primary vehicle is used by the family member to get to work), to run errands, attend classes, or go to appointments. The availability of these bikes can also assist in the rural outlying communities with the first and last mile concerns of transit. The Needs Assessment is essential in pursuing future funding for bike sharing programs in our county.

ACTION:

Approve Calstart's Clean Mobility Options Needs Assessment Voucher, and authorize the Chair to sign Resolution No. 20-18. ROLL CALL VOTE

WHEREAS, 2020 Community Transportation Needs Assessment Voucher execution for Application ID No. NA20W1A-12 must receive Board approval prior execution of the project funds.

SUBJECT: KERN COUNCIL OF GOVERNMENTS CONSENT AGENDA ITEM: III. D.
TRANSPORTATION SAFETY PLANS MEMORANDUM OF UNDERSTANDING

DESCRIPTION:

A Memorandum of Understanding (MOU) has been created for Kern Council of Governments to assist in developing a Local Road Safety Plan (LRSP) for the following nine cities anticipated to participate: Arvin, Bakersfield, California City, Delano, Maricopa, Shafter, Taft, Tehachapi, and Wasco.

DISCUSSION:

A Local Road Safety Plan (LRSP) for each city is required to obtain future Highway Safety Improvement Program (HSIP) funding and accelerate attainment of federal safety targets. The November 6, 2019 Transportation Technical Advisory Committee (TTAC) meeting discussed the option to have Kern COG hire a consultant that would develop LRSP documents for up to nine participating cities. These cities applied for grant funding from Caltrans for their individual LRSP. Under the MOU funding grants would then be pooled and transferred to Kern COG to hire one consultant to create separate plans for each participating city. The Kern COG consultant will rely on participating city staff for product development to ensure quality plans for each city. The local agencies that did not participate had already completed the required plans.

LRSP schedule:

- July 31, 2020: Participating cities sign and return MOU signature page
- August 20, 2020: Kern COG sign MOU
- August 21, 2020: Consultant Request for Qualifications (RFQ) Issuance
- October 29, 2020: Consultant selection
- November 19, 2020: Kern COG sign consultant contract
- November 20, 2020: Consultant contract notice to proceed
- December 31, 2021: Contract complete

ACTION:

Authorize the Chair to sign the MOU. Voice Vote.
